Unique and delicious picks for the foodies on your list from our 2011 holiday gift guide.

UV Cake Vodka

One whiff of this fun vanilla-infused vodka will take you right back to childhood birthday cakes (though this drink is definitely for the adults). It's frosting-sweet, so sip it slowly on its own or mix with soda for a grownup treat.

To buy: \$13 for a .750 ml bottle, available nationally at fine wine and spirits stores.
